

# How to download my document as a PDF

Learn how to download your document as a PDF. Follow these simple instructions to ensure a smooth and efficient process.

Go to [learner.mycreds.ca](https://learner.mycreds.ca)

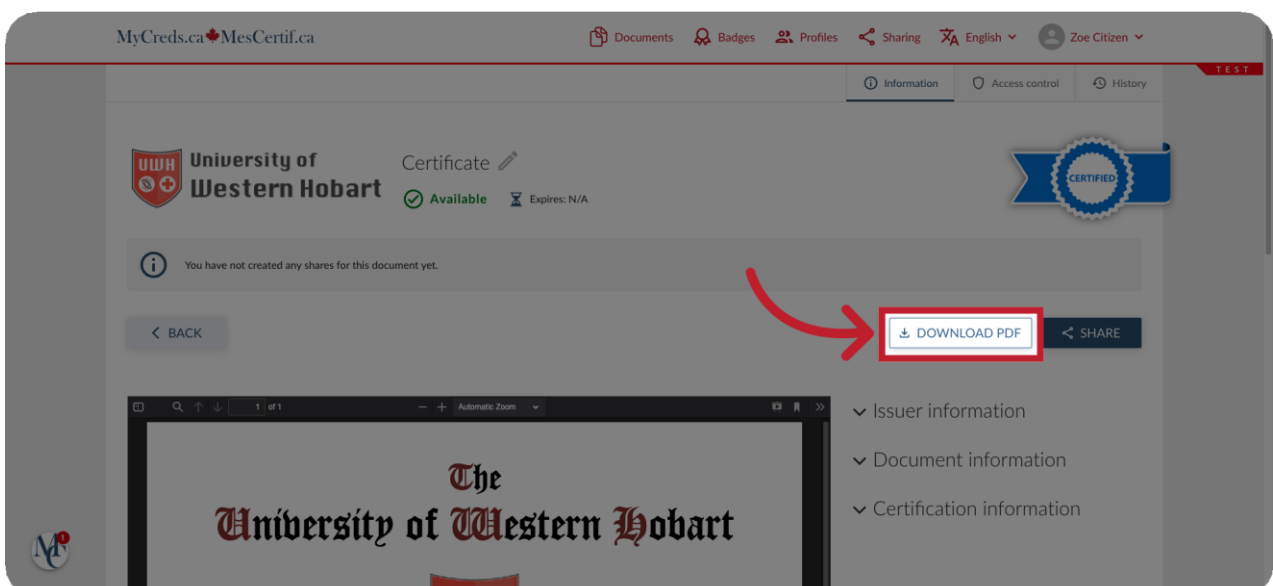

## 01 Open the document.

To download your document as a pdf, first open the document record by clicking on the document title in the document list or tile.

## 02 Click "Download PDF".

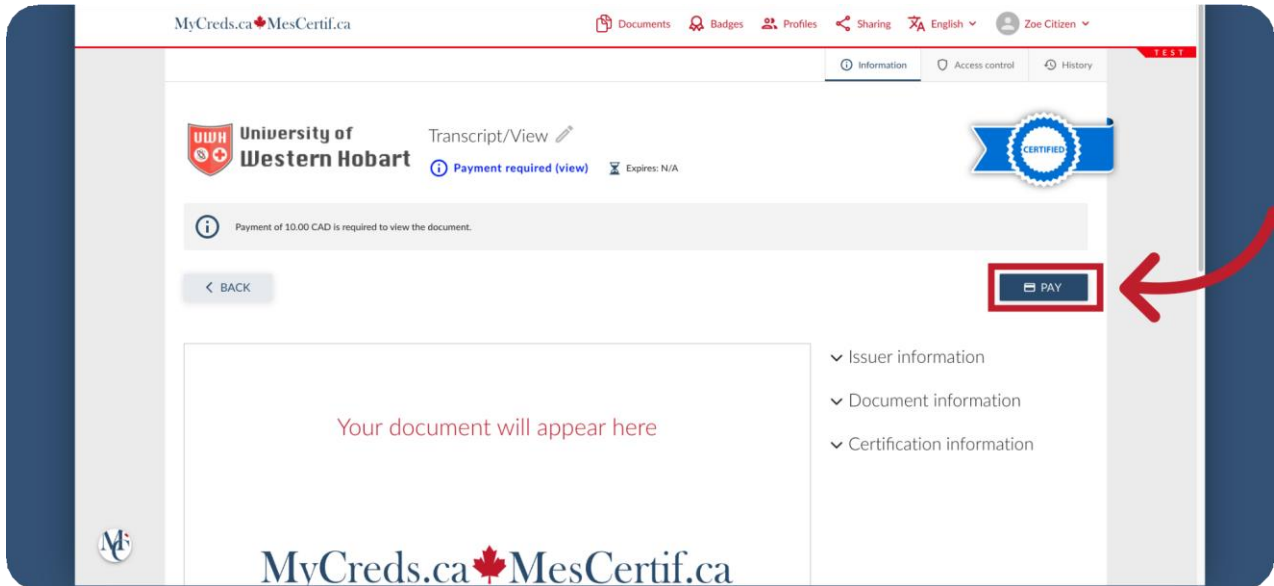

You may see a Download PDF button. Click the button to download the PDF.

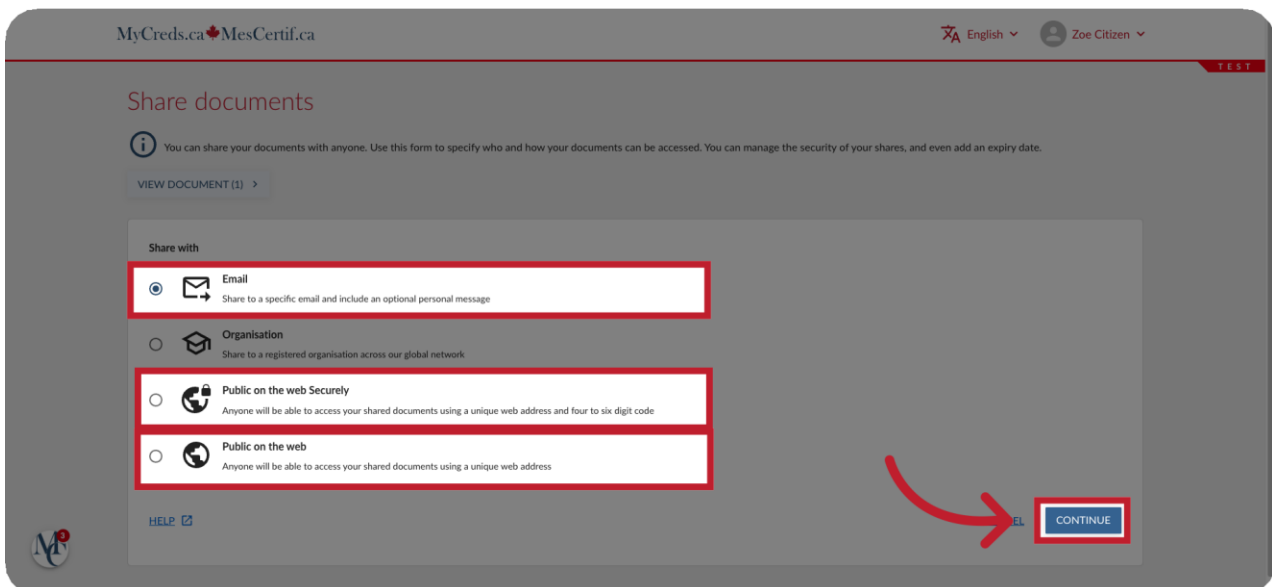

### 03 If a Download PDF button is not available...

If a Download PDF button is not available, you will need to Share the document with yourself by using the email share or Public share options. You may need to pay for access to your document.

### 04 Share the document with yourself

Click the Share button and the share page will become available. Select your preferred Share method – Email, Public on the web Securely, or Public on the web. Click Continue

## 05 Download a PDF by email shared option

Fill out all the mandatory fields and make sure to provide your own email account if you are sharing by email.

Click on the share button to complete the process.

**Email**  
Share to a specific email and include an optional personal message

\* indicates mandatory field

Share name  
Zoe Citizen

The name you choose will be visible only to yourself and will not be seen by the recipient of your share

Purpose of share  
Download PDF

Categorize your shares by giving them a simple description (only visible to you)
